1. Purpose

This policy outlines the workplace standards, expectations, attendance rules, working models, and leave entitlements for all employees within the organization. It ensures operational consistency, fair treatment, and compliance with employment standards.

2. Scope

This policy applies to all full-time and part-time salaried personnel globally, including permanent and fixed-term contract staff. Contractors and consultants are governed by their respective service agreements unless explicitly stated otherwise.

3. Working Hours

Standard corporate working hours are established to ensure cross-team alignment and reliable client support.

- **Working Days:** Monday through Friday (5 days per week).
- **Standard Hours:** 9:00 AM to 5:30 PM local time.
- **Core Working Hours:** 10:00 AM to 3:00 PM local time (all employees must be available during these windows for meetings and collaboration).
- **Lunch Break:** A mandatory 45-minute unpaid lunch break is required between 12:00 PM and 2:00 PM.

4. Attendance & Punctuality

Reliable attendance is essential for maintaining team productivity. Employees are expected to log into company systems or arrive at their designated workstation by their scheduled start time. Habitual tardiness (arriving more than 15 minutes late without prior notice) will result in a formal discussion with the direct manager and may trigger a performance review.

5. Work From Home / Remote Work

The company supports a hybrid working model to balance flexibility with collaborative innovation.

- **Eligibility:** Employees who have completed their initial 90-day probationary period and whose job roles do not require physical on-site presence are eligible for Work From Home (WFH) arrangements.
- **Maximum WFH Days:** Eligible employees are permitted to work from home a maximum of **2 days per week**, subject to prior manager approval and team scheduling. The remaining 3 days must be worked from the designated office location.
- **Remote Environment:** Employees working remotely must maintain a secure, distraction-free workspace with reliable high-speed internet meeting enterprise security standards.

6. Annual Leave

All full-time employees receive a standard allocation of paid annual leave to support work-life balance and rest.

- **Annual Allocation:** Full-time employees receive **24 days** of paid annual leave per calendar year, accrued on a pro-rata monthly basis (2 days per completed month of service).
- **Carryover Rule:** A maximum of 5 unused annual leave days may be carried over into the next calendar year and must be utilized by March 31st of that year. All other accrued unspent leave is forfeited.
- **Resignation/Termination:** Accrued, unused annual leave will be paid out in the final paycheck upon departure.

7. Sick Leave

The company provides paid sick leave to allow employees to recover from illness or injury without financial stress.

- **Allocation:** Employees receive **10 days** of paid sick leave per calendar year, which does not roll over from year to year.
- **Medical Certification:** For sick leave absences exceeding **3 consecutive working days**, a formal medical certificate issued by a licensed healthcare provider must be submitted to HR via the employee portal.

8. Leave Request & Approval

Proper planning ensures minimal operational disruption during absences.

- **Advance Notice:** Planned annual leave must be requested at least **2 weeks in advance** for leaves under 5 days, and at least **4 weeks in advance** for leaves of 5 or more consecutive days.
- **Approval Authority:** All leave requests must be approved by the employee's **direct manager**. HR approval is required only for extended unpaid leaves or leave configurations exceeding available balances.
- **Emergency Absence:** In case of unexpected illness or emergency, employees must notify their direct manager via phone or direct message within **1 hour** of their standard start time.

9. Public Holidays

The company observes **10 paid public holidays** per calendar year, designated annually by the regional HR Directorate. Employees required to work on a designated public holiday due to critical operational needs will receive compensatory time off (TOIL) at a rate of 1.5x within 30 days.

10. Employee Conduct

Employees are expected to act with integrity, honesty, and professionalism in all internal and external interactions. Theft, fraud, harassment, falsification of company records, or willful destruction of company property will result in immediate termination for gross misconduct.

11. Workplace Behavior

We maintain a zero-tolerance policy toward bullying, discrimination, or harassment based on race, gender, religion, sexual orientation, disability, or age. Respectful communication and collaborative engagement are mandatory across all communication channels.

12. Manager Responsibilities

- Review and respond to leave and remote work requests within 3 business days.
- Foster an inclusive, safe, and productive team environment.
- Address minor attendance or behavioral infractions promptly and fairly, escalating persistent issues to HR.
- Ensure team coverage during staff absences to maintain business continuity.

13. Employee Responsibilities

- Adhere strictly to scheduled working hours, core hours, and attendance expectations.
- Submit leave requests well in advance and coordinate project handovers before taking leave.
- Comply with company security, data privacy, and workplace behavior guidelines.
- Maintain clear and open communication with direct managers regarding scheduling or operational bottlenecks.

14. HR Support & Escalation

For questions regarding leave balances, policy clarifications, or interpersonal workplace disputes, employees should follow this escalation path:

1. **Level 1:** Consult the internal HR Knowledge Base or Self-Service Portal.
2. **Level 2:** Contact your designated HR Business Partner (HRBP) via email at `hr-support@internal-policy.corp`.
3. **Level 3:** Formal grievance escalation to the Director of Human Resources if unresolved after 10 business days.
